PE sheet, red, 18 mm, rounded edges

Description

The Bench Mini consists of 2 legs made of 18 mm red PE sheet with rounded edges (5 mm radius). The seat is made of a recycled plastic plank 4 x 15 x 180 cm, fixed onto the legs by means of stainless steel screws 8 mm. A supporting beam 3 x 8,2 x 180 cm is fixed underneath the seat. An extra leg 3,5 x 10,5 x 19,3 cm is supporting the seat in the middle.

Material

Solid boards made from recycled plastic (PE), coloured throughout (beige),
Stainless steel screws (6 and 8 mm)
Virgin PE sheets 18 mm (red), UV-resistant

Installation

The Bench Mini is delivered fully assembled. Anchorage is not required.
